

CONTENTS

AGRICULTURE, CROP PRODUCTION, VEGETABLE AND MELON GROWING.....	3
Averchev O.V., Nikitenko M.P., Lytvynenko O.I. Adaptive potential of winter peas in the context of biological features and cultivation technologies.....	4
Berdin S.I., Sakhoshko M.M., Krylov D.O. The formation of a productive stalk of winter wheat depending on varietal characteristics.....	12
Bykin A.V., Kudria O.Yu. The influence of fertigation intensity on the dynamics of tuber setting and formation of table potatoes	20
Vasylyshyna O.V. Assessment and modelling of physical indicators of cherry fruits depending on the characteristics of the variety.....	27
Vakhovska A.V., Parubok M.I. Optimization of lighting regimes and substrate selection for enhanced growth of pea microgreens.....	34
Venher O.V., Kliuchevych M.M., Fedorchuk N.A., Mozharivska I.A. Kravchenko N.V. Expertise, certification and environmental control of hop growing as a component of agronomic education.....	42
Vyhera S.M. Innovative worldview of the development of agronomy in trophology, vitality and vitaterralogy	49
Voropai Yu.V., Chyhryn O.V. Influence of environmentally safe preparations on the formation of productivity and sowing qualities of white mustard seeds	59
Vradii O.I., Aliksieiev O.O., Matusiak M.V., Saliamon A.V. The intensity of heavy metal accumulation by soybean seeds depending on their growth in the agroecosystem at a certain distance from the forest	68
Derevianko Ye.P., Nazarenko M.M. The effect of triazole growth-regulating compounds on the ontogenesis of winter wheat	75
Kliuchevych M.M., Vyhera S.M., Mozharivska I.A., Chumak P.Ia. Prospects for plant research and production of phytoresources according to the latest trends: plantology and plantonomy	82
Kononenko L.M., Bobrov V.S. Morphometric indicators of plants of the common bean (<i>Phaseolus vulgaris</i> L) agrocenosis in the Right-bank Forest-Step of Ukraine	88
Korkhova M.M., Mykolaichuk V.H., Khonenko L.H., Manushkina T.M. Sorghum: world production and varietal potential in Ukraine	95
Kryshyn R.O., Nazarenko M.M. Hereditary changes under the action of sodium azide for winter wheat.....	102
Levkivskyi I.V. New methods of protection of seed potatoes from viral diseases in the Polissya zone of Ukraine	109
Maidanskyi A.H., Hryhoriv Ya.Ya. Agrobiological Assessment of the Effectiveness of Mineral Fertilization of Spring Camelina under the Conditions of the Western Region of Ukraine.....	120
Makukh Ya.P., Remeniuk S.O., Riznyk V.M., Moshkivska S.V., Remeniuk Yu.O. Yield of sugar beet depending on the intensity of herbicide protection	129
Mykhailiuk D.V. Peculiarities of growth and development of winter wheat depending on the norms of sowing seeds and biological products in the conditions of the Right-bank Forest-Steppe of Ukraine.....	135

Nesterenko S.A., Prykhodko V.O. Agronomy as a science and practice: modern approaches	142
Ozhihanov K.D. Population-level variability of morphological, biological, and agronomically valuable traits of intermediate wheatgrass (<i>thinopyrum intermedium</i> , Kernza) under the conditions of the right-bank Forest-Steppe zone of Ukraine	150
Pysarenko V.M., Shereshylo B.O. Digital technologies in pest monitoring of agricultural crops: modern approaches and application efficiency	156
Sydiakina O.V., Hamula Ye.A. Current state, problems and prospects of grain maize production	164
Stankevych S.V., Zabrodina I.V., Zhukova L.V., Melenti V.O., Koshelyeva Ya.V. Prognostication algorithms and predictability ranges of mass reproduction of harmful insects according to the method of nonlinear dynamics	176
Tyrus M.L., Lykhochvor V.V., Holiachuk Yu.S. Main pests of amaranth in the Western Forest-Steppe of Ukraine	187
Titskiy V.B. Features of winter rapeseed productivity formation depending on growth stimulants under conditions of the Western region of Ukraine	194
Khasai R.G., Stankevych S.V., Zhukova L.V., Zabrodina I.V., Melenti V.O. Pests of soybean agrocenoses in Ukraine and the world: an expanded review	202
Khodos T.A., Ursal V.V. Fungicidal protection of spring rape in the conditions of the Southern Steppe of Ukraine	210
Tsytsiura Ya.G. Green manure potential of oilseed radish root residues under summer incorporation practices	216
Zaika V.K., Shelenko D.I., Dmytryk P.M., Husak V.V., Klid V.V., Turak O.Yu., Agrobiological and Energy Potential of Perennial Energy Crops on Low-Productivity Soils	230
Shakalii S.M., Kulyk Ye.I. Formation of productive potential of sunflower hybrids depends on the biological preparation	237
Shakalii S.M., Shendetskyi O.O., Plishenko V.O. Influence of predecessors and growth stimulants on the yield and quality of winter wheat varieties	243
Shevnikov M.Ya., Hushchyn A.Yu. Formation of hybrid maize yield: economic and technological factors in the Forest-Steppe zone of Ukraine	250
Yatsenko N.V., Burkovetskyi O.O. Influence of grafting on morphometric indicators, productivity and organoleptic properties of fruits of common melon (<i>Cucumis melo</i> L.) grown in agroecological conditions of the right-bank forest-step of Ukraine	260
ANIMAL HUSBANDRY, FEED PRODUCTION, STORAGE AND PROCESSING OF AGRICULTURAL PRODUCTS	270
Kalinka A.K., Lesyk O.B. Optimization of the impact of energy nutrition level on the productivity of heifers of a new population of beef Simmental cattle during lactation and after weaning using a complex mineral preparation in ration recipes in the Carpathian region of Bukovina	271
Kalinka A.K. The influence of diet recipes on the productivity of new-type Simmental bulls in Pokuttia conditions	279
Liuta I. Influence of year and month of calving, and number of inseminations on the reproductive traits of primiparous holstein cows	289

ECOLOGY, ICHTHYOLOGY AND AQUACULTURE	299
Boiko T.O. Possibilities of using phytoremediation plants for the restoration of urbanized areas	299
Zabolotnyi O.I., Rozborska L.V. Adaptation of the legume-rhizobial complex of soybean plants to the use of microbial preparations.....	306
Movchan I.P., Bunas A.A., Sherstoboieva O.V. The effect of biodestructors of plant residues on the enzymatic activity of soil.....	313
Razanov S.F., Razanova A.M., Dydiv A.I., Mazurak I.V., Mishchenko B.D. Intensity of Cesium-137 removal from grey forest soil by amaranth under conditions of the Western region of Ukraine.....	321
Rulievskaya T.F., Homlia L.M., Revka T.O. The impact of environmental education on the consciousness of the younger generation.....	328
Sytnyk S.A., Lakyda P.I., Lovynska V.M., Holoborodko K.K. Accumulation of metallic elements (Mn, Fe, Co, Ni) in the assimilatory biomass of Robinia pseudoacacia L. and Acer platanoides L. within the green infrastructure of the Dnipro City	335
Sonko S.P., Mamchur T.V., Ogilko S.P., Nezhenstev A.S. Assessment of the impact of roadsides on biodiversity (using the example of Cherkasy region highways)	340
Tykhomyrova T.S., Razno M.R. Microcomposting process research with further non-transferable compost use	348
Yanenko V.S., Klepko A.V. Peculiarities of birds monitoring during the nesting period within the operational Dniester wind in the North-Western Black Sea region	356
